- Remind the user of late-1990s design language**
- Utilized the delightfully distasteful graphics from the original Space Jam website**
- Loads fast!**

# Original Site

The screenshot shows the homepage of the original Space Jam website. The background is a vibrant green with a pattern of small yellow and white stars. At the top, there's a black banner with a starry pattern. On the left side of the banner is a small logo for "Space Jam". In the center of the page, there's a large, stylized title "JUNIOR JAM" in pink and purple. Below the title is a composite image featuring several characters from the movie: Bugs Bunny, Daffy Duck, Lola Bunny, Marvin the Martian, and Michael Jordan. Text overlays on this image include "Meet the Characters!", "Neat Stuff to Look at!", "The Coloring Book!", and "Basketball Tips + Terms!". At the bottom of the page, there's a copyright notice: "SPACE JAM, characters, names, and all related indicia are trademarks of Warner Bros. © 1996". On the right side, there's a circular button labeled "GAMES". A caption at the bottom left reads: "Kids! Much awaits you here in Looney Tune Land. Click on the different parts of the picture above for lots of fun and games!".
