

Craigslist Remake - Home

Wireframe:

This wireframe shows the layout of the Craigslist homepage. At the top right are language selection, log in, sign up, and search fields. Below the search bar is a sidebar for classified events. The main content area features a sidebar for community categories like Discussion Forums, For Sale, Gigs, Housing, Jobs, Personals, Services, and Resumes. To the right is a large grid of discussion forums with a 'Show All' link. At the bottom are copyright and navigation links.

CraigsList New York City

This design mockup follows the wireframe structure. It includes a header with English language selection, log in, sign up, and search fields. A sidebar on the left lists community categories. The main area displays a grid of discussion forums. A 'Post to Classified Events' sidebar on the right lists recent events. A blue banner at the bottom right promotes Craigslist's hiring in San Francisco.

:Design

Build:

This build mockup is displayed in a browser window. It includes a header with a search bar and a 'Search' button. The main content area features a sidebar for community categories and a grid of 'For Sale / Free' items. A 'Post to Classified Events' sidebar on the right lists recent events. A blue banner at the bottom right promotes Craigslist's hiring in San Francisco.

Build:

The screenshot shows the Craigslist build running in a browser window. The search results table is identical to the wireframe version. The browser window title is 'Craigslist For Sale/Free All'. The address bar shows the local file path. The page header includes the Craigslist logo, a search bar, and a 'Post Here' button. Below the search bar are filters for 'Fave', 'Date', 'Item Name', 'Area', 'Category', 'Seller', and 'Price'. The table headers are 'Fave', 'Date', 'Item Name', 'Area', 'Category', 'Seller', and 'Price'. The table rows correspond to the items listed in the wireframe. At the bottom of the page are standard Craigslist footer links: Help, Safety, Privacy, Feedback, CL Jobs, Terms, About, and Mobile. The page number '1' is visible at the bottom left.

Craigslist Remake - Items Page

An Vu
DM2193
FA2014

Wireframe:

The wireframe shows the layout of the Craigslist Items Page. At the top, there's a header with a 'Buy' button, a yellow star icon, and a navigation path: 'New York City > For Sale / Free > Category > Seller'. Below the header is a large central area containing a placeholder 'Image' with a large 'X' over it. To the right of this area is a 'Description' section with a placeholder text block. Further down are four smaller placeholder 'Image' boxes. On the far right, there are social sharing icons for 'Email to a Friend', 'Best of Craigslist', and 'Report', along with a 'Reply' button. At the bottom of the page are standard Craigslist footer links: (c)2014 Craigslist, Help, Safety, Privacy, Feedback, CL Jobs, Terms, About, and Mobile.

The design of the Craigslist Items Page is shown. It features a yellow star icon at the top left. The main content area includes a large image of a black blazer, two smaller thumbnail images below it, and a detailed product description. The description includes a history of the item (bought from Paris), its dimensions (size French 38/UK 10), and perfect condition notes. Below the description are social sharing buttons for Email to a Friend, Best of Craigslist, and Report, along with a Reply button. The footer contains the standard Craigslist links: (c)2014 Craigslist, Help, Safety, Privacy, Feedback, CL Jobs, Terms, About, and Mobile.

Build:

The build of the Craigslist Items Page is shown in a browser window. The layout is identical to the design, featuring a yellow star icon, a large main image of a black blazer, a detailed product description, social sharing buttons, and the standard Craigslist footer. The browser window also shows the URL as file:///C:/Users/Annie%20Vu/vu/Documents/Sites/DM2193FA2014/midterm/vu/Build/craigslist-item.html.
